Expedition Clothing Outfitters

Eclipse Parka

Our three-quarter length Eclipse Parka for ladies adds a sportier sensibility to cold weather comfort and style. The Eclipse Parka features an Arctic Tech outer shell, hand warmer pockets, cargo storage pockets and is available in a full range of colours.

Features:

- Poly-Cotton Arctic Tech outer shell is treated with Teflon™ fabric protector
- Goose down filled body, sleeves & hood
- 100% down-proof nylon lining
- Two-way heavy-duty YKK™ front zipper
- Two upper slash pockets
- Two lower bellow pockets with two hand warmer pockets
- One inside pocket
- Detachable coyote fur ruff & hood with Velcro™ closure
- Draw-cord sleeve cuffs with cord lock
- Draw-cord bottom hem with cord lock
- Logo embroidered on left chest
- Sizes: XS & 2XL

Heli-Arctic Parka

The Heli-Arctic gets its warmth and function from our original industrial parka, but has been overhauled to reflect the cleaner lines sought after by many of today's consumers. It is a heavy parka with contemporary flair that can keep you warm almost anywhere. A full range of colours available.

Features:

- Poly-Cotton Arctic Tech outer-shell is treated with Teflon™ fabric protector
- All duck down filled
- 100% down-proof nylon lining
- Two-way heavy-duty YKK™ front zipper
- Heavy-duty, oversize, nylon reinforced knit cuffs
- Double reinforced elbows
- Hood with detachable coyote fur ruff and draw-cord closure
- 3M™ reflective tape on back
- Wind-flap with Velcro™ closure and chin guard
- Two front snow pockets with Velcro™ secured flaps
- Large inside pockets
- Sizes: XS & 2XL
